Frequently Asked Questions:

What are the photo package options and prices?

We offer 2 photo package options. Photo package A has all photos taken digitally with copyrights. Photo package B is a prints package with 25-4x6's, 5-5x7's and 5-8x10's (copyrights not included). Package prices range between \$275 to \$1,000 depending on the package you choose and whether you pre-purchase your package or wait until after your wedding. Your coordinator can provide exact photo package pricing.

Where do I get my marriage license?

You must get your marriage license here in Las Vegas (Clark County). Please check out the Marriage License Bureau website for more details: mlbc.vegas

Can I bring in my own decorations?

Yes, you can provide free-standing décor such as a welcome sign, ring bearer pillow and flower girl basket. No silk petals permitted - only fresh petals allowed. Must be added with our florist or you may provide only enough for 1-2 flower girl baskets in order to not incur a clean up fee. Nothing may be attached to the arches or gazebo unless it is added through our Lakeside Florist. You can request a garden décor brochure from your coordinator. No live flame candles, glitter, confetti or aisle runners are permitted. If you are unsure about an item, please reach out.

What does the day-of event coordinator do?

The day-of event coordinator will be assigned 4 weeks before the wedding. They will reach out to introduce themselves and finalize any remaining details such as arrival time, music, etc. Rehearsal can be added with your day-of coordinator for a \$125 fee. Rehearsals are 30 minutes with the day-of coordinator.

Can I bring in my own photographer?

Outside professional photography is not allowed. If you want to bring your own outside professional photographer, there is a \$150 fee and professional photography coverage will be removed.
